Donate or apply to volunteer at [www.benziebacn.org](http://www.benziebacn.org) | Follow us on Facebook @BenzieBACN

**BACN BUILDS BRIDGES OVER THE  
GAPS IN OUR COMMUNITY!**

**A NEW FACILITY FOR BACN IS ABOUT TO BECOME A REALITY!**

**NEED** | BACN has outgrown their current facility, and can no longer provide essential services. The existing, repurposed pole building needs costly repairs and safety upgrades.

**OPTIONS** | The BACN Board considered leasing or purchasing existing sites, or remodeling and upgrading the current facility. The process led to a Board vote for new construction as the most cost-effective, sustainable solution.

**LOCATION** | The new building will be right in front of the existing one, closer to US 31. The current building will remain open for services throughout the construction period.

**FUNDING** | The BACN Builds project cost is \$3.5 million. We have reached the funding goal in order to break ground and invite you to help us cross the finish line!
